At 510 feet long, 85 feet wide, and 51 feet high, the Ark is massive! Numerous teaching exhibits about the Flood, Noah, and the animals are designed to answer your questions about the biblical account of Noah's Ark. Relax and refuel with lunch and then visit the Ararat Ridge Zoo to spot some exotic animals like Tibetan yaks, kangaroos, and ostriches. The museum also has beautiful botanical gardens and a petting zoo. Later in the afternoon, we will journey down to **Louisville, KY**, and check in to our accommodations for the evening. Today's touring begins with the **Evan Williams Bourbon Experience**. Be prepared to step back in time to 1783 and experience life and distilling as it was in the early days of the Republic! While here, we'll see the artisanal distillery, learn about the process of making bourbon, and enjoy a tasting. Then we'll turn our attention to baseball at the **Louisville Slugger Museum & Factory** where the world's most famous baseball bats are made. We'll watch the smoke curl as the famous trademark is branded on the finished product and have the chance to hold bats used by the greatest players in the game. As you explore the museum's collections, don't miss the bat on which Babe Ruth carved a notch for twenty-one of his record-setting sixty home runs in 1927, Joe DiMaggio's fifty-six game hit streak bat, and Hank Aaron's 700th home run bat.
