Their website is <https://www.eftps.com/eftps/login.do> EFTPS (Electronic Federal Tax Payment System)-Direct has become the preferred method for businesses to make their federal tax payments electronically. You may make your payments securely through EFTPS-Online, on your personal computer or by telephone. It is your choice. You enroll only once and then can use all of the payment options interchangeably. Tax Payments can be made 24 hours a day, 7 days a week. In using the payment scheduling capability built into EFTPS-Direct, payment instructions can be entered up to 120 days in advance- On the day prior to the scheduled due date, payment(s) will be initiated. Receive an immediate acknowledgement of every transaction as a receipt, review the last 16 months of your payment history, No more missed deadlines, no more coupons to keep track of or last minute trips to the bank. As described above there are two options available to submit your payments, directly from your office:

You can sign up for EFTPS-Direct by logging onto the following website:
